FAQ

MuseScore is a program that is focused on musicians that don't want to use traditional software and are looking for a much more classic solution, like a music notation application.

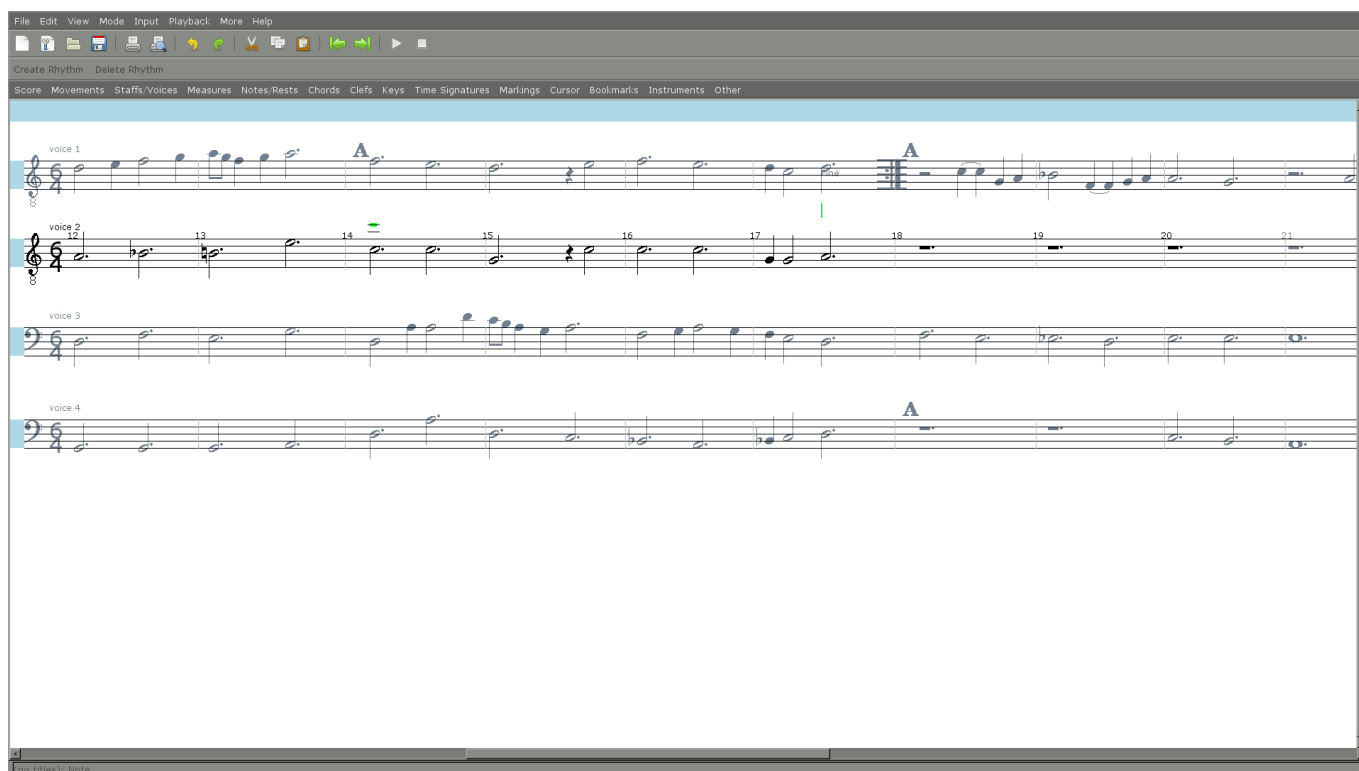

1. [musescore](#)
2. [musescore 2](#)
3. [musescore 3.6](#)

The tool offers a composer everything that is necessary to write full music scores, so as to be able to play them later by means of a sound module or print them to be played by an orchestra.
